## DEMOCRATIC TICKET.

For Circuit Judge.  
HON. CHAS. A. HARDIN,  
of Mercer County

There is one improvement this town badly needs, and it is one that can be easily had. A street from Logan avenue across Lancaster street and to Danville avenue, a part of which is already open. Such a street will shorten the distance a half mile or more for fully one fourth of the children in attendance upon the graded school who are now compelled to take the route by Main street which is too great a walk for small children, or else go by the railroad which is too dangerous for them, or else through Macksville which is a most improper way. The street suggested could be opened at little expense and would be a source of great profit to the people who own the lands to be traversed by it, as it would open up one of the most desirable residence streets in the town.

The demands of the school require it, the health and comfort of a large percent of the school children make it a necessity. Nothing is in the way of it. Why don't this town council wake up? The demand for the houses is greater than the supply. Such a street would furnish a place to build needed houses. It would help the town and everybody in it.

The third National Peace Congress will meet in Baltimore, Md., May 3, to 8. Its predecessors met in New York in 1907 and in Chicago in 1909. This meeting will be held under the auspices of all the leading Peace Societies in the United States, devoted to the settlement of substantial disputes by means other than war. President Taft will be one of the speakers.

## WAYNE COUNTY.

Miss Alice Rankin, of Tulsa, Okla., and Minnie Conley of Bud, are guests of Mr. and Mrs. W. K. Jones.

Mr. and Mrs. Henry L. Phillips left Tuesday for their new home near Lebanon. They are driving through and will stop a few days with their daughter Mrs. A. P. Young at Liberty. Misses Lula and Mamie and Mr. Mack will leave the latter part of this week.

Mrs. James Tate has returned from Louisville where she has been under medical treatment. She is greatly improved.

Mr. John S. Oatts and family have returned from Brandon, Colorado, where they have been living for a short while. The climate didn't agree with Mr. Oatts—Monticello Outlook

Ortie McManigal, structural iron worker confessed to detective in Chicago that he was implicated in a conspiracy which had led to the destruction of \$3,500,000 worth of property and caused the loss of 112 lives, including those of the men who were killed in the explosion which wrecked the plant of the Los Angeles Times. McManigal accused Jim McManigal, Al. A. Schmidt and Dave Kaplan. He said John McManigal, secretary of the International Association of Structural Iron Workers, furnished the money, and the explosives. McManigal alleged that bridges had been blown up in many places.

# The Richmond Normal

## INTERESTING LETTER FROM LINCOLN COUNTY STUDENT

Richmond, Apr 24th.

Probably the county superintendent and trustees as well as our other friends of Lincoln would like to know how their future teachers are spending their time at the Normal school. Richmond is one of the best towns on the map, excluding Stanford. As most of you know, it has only been a short time since the good people here, again won in their local option election. The town gave us several good lectures during that campaign including one by Judge O'Rear and another by Prof. Currey, a second brother T. Washington.

While there are many good things to hear and see in the town, it is that which takes place on the E. K. S. N. campus that most interests us. I shall tell you of only a few of the best things we have had since the beginning of the winter term.

We have something good from some member of the faculty at each chapel exercise. But in addition the following distinguished persons have given us very excellent and instructive talks from the chapel platform.

The State Inspector Mr. Mc Kenzie Todd was with us about the first of February. The day following Mrs. Christie Field lecturer of the Y. M. C. A. gave a talk on India.

Prof Speed of Louisville gave an illustrated lecture on the Condition of Schools in Kentucky. He also showed some of the consolidated schools of our sister states on the north of us. I am so sorry that such lectures as this cannot be given where trustees and patrons of the rural schools can see the advantages of the consolidated school system.

Mr. Ship, Superintendent of the Winchester schools addressed the students on March 4th.

Dr. Yeager, President of the George town college gave a fine address on training schools for practical life.

Mrs. Beauchamp, President of the W. C. T. U., was with us about the middle of March and she always has something good to say.

We have also had the privilege of attending the different numbers of a very fine lecture course at the Normal chapel.

The Bargett Concert Company, gave a very interesting program Jan 30. Alton B. Packard, the noted cartoonist, was with us in March.

The Bartlett Co. Co., entertained us very highly on Feb. 10.

Ex-Gov. Hoch of Kansas delivered one of the best addresses of the season on the Progress of Kansas.

But the best treat we have had was the lecture given by Lieut. Pearson Hobson, hero of the Merrimac, now congressman from Alabama, and Vice President of the United States branch of the International Peace Conference. His subject was "The Great Destroyer—Alcohol." He also honored us with another forcible address at chapel the next morning on "The Likelihood of War Between United States and Japan."

We have the greatest treat ahead of us yet. The Y. M. C. A. has been so fortunate as to engage the Hon. William J. Bran to speak for us after noon of the 26th of this month. I suppose there will be several Lincoln county citizens who will take advantage of hearing this great orator.

The base ball season has just opened and we are having some good games.

I will close by hoping that the board of trustees will not give all the best schools to the best teachers who stay at home while some of us come of us come here spending what little money we do make trying to learn something that will benefit people at home, then have to take the little schools or none at all. A Student.

## A RELIABLE MEDICINE—NOT A NARCOTIC

Mrs. F. Marti, St. Jo, Mich., says: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar Compound in which I have great faith. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar Compound has many times saved us much trouble and we are never without it in the house. Stanger and Tanner.

## MAKING WORK EASIER

Stanford People Are Pleased to Know How It is Done.

It's pretty hard to attend to duties with a constantly aching back; With annoying urinary disorders. Doan's Kidney Pills have made work easier.

So thousands have gratefully testified. They're for bad backs. They're for weak kidneys. Stanford people gladly recommend Doan's.

Mrs. S. J. Hubble, Lancaster, Mt. Stanford, Ky., says: "I know that Doan's Kidney Pills helped me and I therefore, have not the least hesitation in recommending them. My kidneys were disordered for some time and although my condition was not serious, I was nevertheless annoyed a great deal. My back ached almost constantly and sometimes became so lame that it required a great effort for me to stoop. There were also other symptoms of kidney complaint that caused me distress. Since using Doan's Kidney Pills, procured at Singers and Tanner's drug store, all these troubles have disappeared, and my health has improved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
